Dear John Allen & Sue:

I have been wanting to write but have been so busy. When your letter came I was sick in bed with a bad case of flu, and was feeling pretty low, but your letter cheered me up a lot. I think of you and speak of all of you quite often. I would just love to see you Sue and the baby. I suppose she will be pretty big before we get to see her. I have not been as fit well

all this year and Dale is not any better. Just when we think he is getting better then he gets worse. He has those cold hives and so far the Doctor hasn't found out what is causing them. He took him off milk and all milk products and beef. I sure have a time cooking as I can't use milk in anything. This morning he couldn't go to work as both eyes are swelled shut and his head is all swelled. He sure has a time. I am about at my wits end. Elvora had an operation Tuesday.

She is in Miami
Valley hospital. I was
down last night and
she is not feeling a
bit good. Then to top it
off my sister wrote and
said Mother had a
bad heart attack and
Dale is worse. I don't
know if I am coming
or going right now.

If you can't read this
you will know the
reason. Why don't you
send me your bulliten.
I think every one gets
it but us. They are
real interested in
what is going on down
there. That is about
the only way we get to
hear from you.

Write when you get
time or have Sue
write. You take good
care of her and the
baby.

Lots of Christian
Love to all of you.
Mona & Dale Ryan.

P.S. If you want to send
Mother a card her
address is:

Mrs. S. Church
Hundred
Star Route 24. Va.

I know a card from
you or a note would
cheer her up as
she thinks so much
of you.
